

Addition with Dice

Roll the dice four times, writing the number in the box after each roll. Add the sum.

$$\square + \square + \square + \square = \underline{\hspace{2cm}}$$

$$\square + \square + \square + \square = \underline{\hspace{2cm}}$$

$$\square + \square + \square + \square = \underline{\hspace{2cm}}$$

$$\square + \square + \square + \square = \underline{\hspace{2cm}}$$

$$\square + \square + \square + \square = \underline{\hspace{2cm}}$$

$$\square + \square + \square + \square = \underline{\hspace{2cm}}$$
